Subject: Provider Reports/Lumea Monthly Maintenance

MSB MA Community Email | September 2, 2014

Good Morning!

Massachusetts School-Based Medicaid imposes a strict 90-day claiming deadline, so it is crucial that providers post their sessions weekly. We encourage you to run the [Unposted Sessions Summary Report](#) and the [Service Provider Records Report](#) for August, 2014 to ensure your practitioners are logging and posting their billable sessions. Utilizing these reports on a monthly basis is another way to help your district maximize direct service claiming.

In addition to running the above-referenced reports, we also ask you to review [Student Identity Verification](#) on a monthly basis. Any students still listed to be verified ("pending") will not be processed for Medicaid Reimbursement.

If you have any questions regarding utilizing Lumea™ please contact Customer Care by phone at (800) 810-4220 or by email at support@msb-services.com. If you have questions regarding the School-Based Medicaid program or wish to schedule a district training, please contact a member of your Massachusetts team:
