MSB™ Massachusetts Community Email | July 25, 2014

Dear Special Education Administration or RMTS Coordinator:

Please review the [Technical Notes and System Requirements](#) for Fiscal Year 2015 forwarded from School-Based Claiming. Some of the requirements have been changed.

Please forward this information to the appropriate person or department as some of your schools may have made changes to their firewalls during the summer vacation or may intend to make changes this fall. We want to ensure that the Random Moment Time Study (RMTS) emails reach all time study participants and that all your school security features allow for this.

If you have questions, please feel free to contact [Steve Courter](#) or [Sharon Gravel](#).
