Subject: Releasing New and/or Returning RMTS Participants

MSB™ | Massachusetts | September 24, 2014

RMTS is preparing to activate the FY15 Quarter Two RMTS list. Before they generate moments for RMTS, they need to activate new or returning time study participants. Starting today UMMS will begin this process.

Please inform your new or returning RMTS time study participants that they will receive a welcome email from UMMS. This email will contain their user ID and password. This does not mean they have a moment nor does it require them to log on to the system now. The Random Moment Time Study for FY 2015 will begin on **Wednesday, October 1st**.

We encourage you to have staff complete the RMTS training annually by going to the [RMTS Website](#) and selecting Instructions for Logging in.

Please feel free to contact [Sharon Gravel](#) or [Steve Courter](#) if you have questions or would like further clarification.
