MEDICAID ELIGIBILITY CATEGORIES

There are numerous Medicaid eligibility categories. Some eligibility categories allow claims to be paid for school-based health services (such as Medicaid Managed Care) and other categories do not (such as Pharmacy Only). The Recipient Aid Categories chart below provides a list of the categories that are eligible for reimbursement. Eligibility categories can be seen when checking eligibility at the www.vtmedicaid.com website and by the field representatives. Refer to this listing when verifying the program in which the recipient is enrolled.

The following aid categories indicate that an individual **is** eligible to have services reimbursed under the School-Based Health Services Program.
